

STICKS & STONES LOG HOMES

HAND-NOTCHED OZARKS CEDAR · EST. 1993 · JAMESON, MISSOURI

THE CAMPER — SPEC SHEET

14 × 20 FULL-LOG CEDAR CABIN · JULY 2026

\$49,500

DELIVERED & STACKED · PORCH INCLUDED

30% RESERVES YOUR BUILD SLOT (\$14,850)

60% WHEN FINISHED & READY TO SHIP (\$29,700)

10% ONCE IT'S STANDING ON YOUR FOUNDATION (\$4,950)

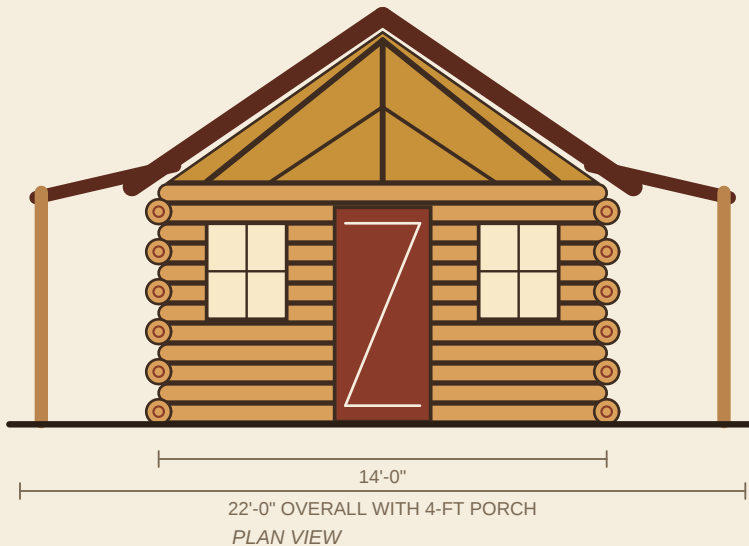

What every Camper includes

- Full-height hand-notched cedar log walls — real Ozarks red cedar, felled & peeled by our crew
- 4-ft wood wrap-around porch with hand-peeled log posts (6-ft or 8-ft expansion available)
- Two exposed rustic log trusses over an engineered roof structure
- 3/4" tongue-and-groove car-siding ceiling
- Insulated roof structure + metal roof in your color from the manufacturer's palette
- Chinking in your Perma-Chink color
- SureShine stain, interior & exterior tones
- Off-grid by design — no plumbing or electrical to slow it down (upgrades below)
- Ships whole on skids; we deliver and stack it on your rock or concrete foundation (foundation by owner — requirements provided)

Upgrades — add what you'll use

Kitchen package (cabinets, counter, sink, drain line)	\$10,000
Electrical pre-wire, ready for your electrician	\$10,000
Cedar outhouse, hand-built to match	\$10,000
Porch expansion to 6 ft or 8 ft	by size
Flat-inside or D-shape log profile	\$2,500
Cedar furniture, placed before you get the keys	per piece

FRONT ELEVATION — SYMMETRICAL GABLE & EXPOSED LOG TRUSS
12'-2" AT THE PEAK

Want it bigger? The Camper is available in other dimensions — priced by size when you reserve.

Every log selected standing in Missouri timber, peeled by hand, notched one corner at a time — since 1993.
